INTERNATIONAL VALVE & INSTRUMENT
A Division of The Collins Companies

International Valve and Instrument, Springfield, MA is now a division of The Collins Companies. IVI is dedicated to solving all of your valve issues whether you require replacement or repair, on site or in our full-service shop. We are experts in our field with all types and brands of valves including safety reliefs, gate, globe, throttle, non-return, control, blow down, check, plug, butterfly, ball and actuators.

SERVICES WE OFFER:
Safety Valve Repair and Testing
Electronic On-site Testing
Line Valve Repairs
Heat Exchange Tube/Bundle Repairs
Hydraulic Cylinder Rebuilding

NATIONAL BOARD VR CERTIFIED
Repair of pressure relief valves (PRV).
In-line testing of your PRVs under operating conditions.

Testing capabilities include a 1400# steam generator for testing V stamp and UV stamp valves.

VALVE AUTOMATION CENTER

WE STRATEGICALLY PARTNER WITH LEADING MANUFACTURERS TO PROVIDE THE "BEST" VALVE SOLUTION FOR OUR CUSTOMERS' APPLICATIONS.

We build Valves Everyday!

Three fully staffed valve actuation centers allow us to automate over 3,000 valves each year for our customers. We have a vast range of experience and depth of expertise in sizing, selecting and assembling the proper valve to fulfill your needs. From the small to large and from simple to intricate, our valve knowledge is second to none.

Tell us what you need your valve to do and we will come up with a solution that will be cost effective and reliable.
