You are in Safe Hands with Spirax Sarco's 10-Year Warranty on Steam Trapping!

Nobody can be certain what the next ten years will bring. However, the STS17.2 steam trapping station and the PC4000 pipeline connector comes with an industry leading 10-year warranty.

They are both a 'ready-to-install' trapping solution with single or double isolation, without the need for process shutdown.

STS17.2

PC4000

10-year warranty covers trap station and connected steam trap. Valid for properly sized, selected, and installed traps, free of dirt, debris, and corrosion.

Available through The Collins Companies.
