

# WE'RE **GROWING** EVERY DAY

I **NEVER**  
thought of  
**COLLINS**  
for this.

We have  
**EXPANDED**  
a lot in the  
last few years.

## NEW PARTNERSHIPS

### GAUGES & LEVEL FLOW INSTRUMENTATION

Our sales representative agreement has expanded to the complete **WIKAL** product line, from standard temperature and level gauges to engineered specialties – we have it all.

### FLAME ARRESTORS

**Protectoseal** completes its already comprehensive portfolio of tank protection equipment, which includes: **vents, manaways & tank blanketing valves**, by purchasing **Elmac Technologies** and their patent-protected line of **Flamer Arrestors**.

\*Protectoseal is not available through Collins in New York State.

### COMPLETE LINE OF HOSE:

ACE Sanitary Hose, which combines the FlexRite™ and Seal-Rite™ Brands together!

### ALL VARIETIES OF HOSE ASSEMBLY TYPES

### INDUSTRIAL LUBRICANTS

**ISEL Chemicals** is a synthetic lubricant manufacturer, send us your list of frequently used industrial lubricants and heat transfer fluids and we will send you back our "or equal" with pricing.

## EMERGENCY REPAIR & MAINTENANCE SERVICES

### TESTING AND REPAIRING ALL TYPES OF VALVES

**International Valve & Instrument** has been in business over 30-years, repairing all types of industrial valves.
